VOLUME XVII

THE CLEARFIELD PROGRESS, CLEARFIELD, PA. SATURDAY EVENING, JANUARY 13, 1923.

NUMBER 11

FRANCE WILLING TO GIVE GERMANY UNTIL JANUARY 31ST TO MEET THE IMMENSE PAYMENT DUE ON MONDAY

Paris, Jan. 13.—While French and Belgian troops hold the Ruhr in a grip of steel, the Allies Reparation Commission met today to decide if future punitive measures against the Germans must be taken.

Lewis Barthou, French Representative, proposed that Germany be given until January 31st to meet the next payment of five hundred million gold marks due Monday.

The Commission adopted the vote

by postponing until January 31st, the date that the next payment is due.

Sir John Bradbury, British Representative, abstained from voting. American Observer Boyden asked permission to publish the text of his remarks before the last session on the subject of America's attitude toward the Ruhr invasion, explaining there had been conflicting reports concerning it.

Permission was granted.

SUCCESSFUL ERIE BUSINESS MAN TO HEAD HIGHWAYS

Neighbor John Fisher Insurance Commissioner Until State Creates Dept. of Commerce.

GOOD SELECTIONS

Harrisburg, Jan. 12.—Paul D. Wright, of Erie, has been named by Governor-elect Pinchot to become State Highway Commissioner during his administration.

A second appointment announced by the Forester of major importance was that of John S. Fisher of Indiana, former State Banking Commissioner, who has been asked to be the Insurance Commissioner until the new department of commerce is created.

The new governor, in announcing the appointment of Mr. Wright said, "Selecting a cabinet when you do it yourself is one of the most difficult tasks I ever undertook. One of its troubles is that the men you want usually are fully occupied with their own affairs and have good reasons why they cannot accept. I have had difficulty in persuading the most of the members of my cabinet to drop their own work and take up that of the State, but none so much as with the new commissioner of highways, Paul D. Wright, of Erie. Him I commended and refused to take no for an answer. After weeks of refusal entirely justified from the point of view of his own interests, he has finally accepted. He comes to serve the public at a great sacrifice to himself. I owe him a great debt. Before he is through, the State of Pennsylvania will likewise."

Like the new Attorney General, George W. Woodruff and Commissioner of Forestry, Robert Stewart, as well as the new governor, Mr. Wright is a graduate of Yale. At present he is president of the Reading Manufacturing Company of Erie. He has been a leader for good government in his home county and is head of the Republican Citizen League since its organization. He has been interested in the good roads movement. Mr. Wright was a member of the Pinchot Citizens' Committee on the finance of Pennsylvania.

The new head of the Insurance Commission is well known throughout the state. For years he has been identified with public affairs, having served as a State Senator and afterward as Commissioner of Banking, the position which he relinquished aspiring to be a Republican gubernatorial candidate at the primaries, resulting in favor of Mr. Pinchot. Following the nomination of the Governor-elect he has been in constant touch with the Pinchot policies which played an important part in the Pinchot Citizens' Committee.

Dick Leopold, who has been confined to his bed the past three days with a severe cold, is reported somewhat improved.

Mrs. John Forsyth entertained at dinner in honor of Dr. Lever F. Stewart and Elizabeth Eyster, whose marriage will be an event of the near

HULL, PROSECUTOR OF KEPHART, HANDS IN HIS RESIGNATION

Harrisburg, Pa., Jan. 13.—George Roes Hull, First Deputy Attorney General resigned today. He has held that office since last summer when Robert Gawthrop, who held the place, resigned to go to the Superior Court, to which he was elected in September.

Hull has been assigned to the prosecution of former Treasurer Harman Kephart and his resignation is regarded as a ploy in the handling of the case for the State. He has made substantial progress in the Dauphin County Court.

APPOINTMENT OF KILLINGER COMPLETES PENN STATE STAFF

State College, Pa., Jan. 13.—The appointment of Glenn Killinger, former all-around star athlete, as assistant football, baseball and basketball coach at Penn State, completes the staff of coaches who will aid Hugo Bezdek in the development of athletic teams at the Nittany institution for 1923. All are members of the faculty in the department of physical education.

The football staff will consist of Bezdek, Killinger, Haines and Hermann, the latter taking charge of the Freshman gridirers as in the past. Nate Cartmell, former Penn star, will coach the track and cross country squads in addition to serving as trainer for the grid team. Bezdek and Killinger will be in charge of varsity basketball with Haines in charge of the Freshman cagers. Dave Detar, another Penn State graduate, is wrestling coach, while Leo Houck, of Lancaster, is in charge of the Nittany boxers. Bob Jardine will take charge of the lacrosse squad again this spring, and Bob Rutherford and Art Walker will continue to take charge of golf instructions.

In selecting Haines and Killinger as assistant football coaches, Bezdek brings to his aid two of the most brilliant products of his own system of coaching. Haines was a star half-back in 1919 and 1920 while Killinger played quarterback in 1920 and 1921. In the latter year he was unanimous choice for the mythical all-American eleven. While undergraduates, Killie and Hinkie were classed as the "Penn State twins" for they played together on the football, baseball and basketball teams and were among the few three sport stars in Penn State history. Each had a season of coaching before returning to his Alma Mater, Haines at Gettysburg and Killinger at Dickinson. The former was assistant to Hugo Bezdek this past season in football.

"JAIL IN FINE SHAPE" SAYS COUNTY COMMISSIONER WEIMER AFTER VISIT

Appreciating the fact that large bodies move slowly our Clearfield county jail press agent visited the County Commissioners' office this morning and to his surprise found that after fully recovering from their visit to the county jail Thursday and sleeping on it—not the jail—the County Commissioners felt disposed to talk about "their trip to the jail and what they saw."

That is, without being asked this time, President T. R. Weimer volunteered the information that they "found the jail in really fine shape." Mr. Weimer said it was, without a doubt, in good condition, and invited us to go down and see for ourselves

VISIT OF KLANSMEN CAUSES FARMER TO COMMIT SUICIDE

Hazleton, Pa., Jan. 13.—Fear of the Ku Klux Klan drove Harman Hacken, prominent farmer to commit suicide, it was said today, as further facts in the strange case came to light.

Deputy Coroner Frank Wahamly, who has been investigating the charge that the man was murdered, announced today that this has been disproved and that the man deliberately shot himself in the seclusion of his barn January 2nd.

Harker had received a visit from a body of Klansmen, it is said.

NEW MEXICO'S LONE CONGRESSMAN DIES AT WASHINGTON

Washington, D. C., Jan. 13.—Representative Menster Montoya, of his residence here following a stroke of apoplexy.

The stroke came upon him while he was shaving. Montoya as congressman was the only member of the house from New Mexico. His home was at Albuquerque, where for many years he has been editor of a newspaper published in the Spanish language. He was sixty-one years old and leaves a widow and five children.

He has served two years in congress.

WILL BE BURIED

AT ASHEVILLE
The funeral of Mrs. Swenson will be held at Leavy's Undertaking rooms Sunday at 11 o'clock. Rev. Givens and Rev. Mason officiating. The remains will be taken to Asheville, N. C., for interment, leaving here on the 1:50 P. R. R. train tomorrow afternoon.

In this connection we also talked to a local attorney who was down to the jail on Thursday to see a client and he said that while talking to the prisoner in his cell he saw what he thought was a string of beads around the fellow's neck and said, "Hello, there, Bill when did you take to wearing a necklace? When the prisoner found what the attorney was driving at he replied disgustedly: "Necklace, he—; them's bed bug bites. I tied a handkerchief tight around my neck to keep the dern things from getting down my back and the pesky little devils chawed a ring the whole way 'round above the handkerchief."

Two Boys, Aged 10 and 13, Abandoned By Father, Found By Truant Officer Living On Nothing But Dry Bread

Boys Located Wed; Had Been Alone In Vacant House With No Heat Since Last Friday.

MOTHER IS DEAD

We are not a believer in the Ku Klux as a general proposition, but there are times when we feel as though we could assume membership for a stated time and fixed purpose. One of those times came to hand yesterday when we received the following communication at this office:—

"While H. F. Reese, attendance officer, was attending to his official duties in the East End Thursday he came across two small boys aged 10 and 13 years who had been abandoned by their father, their mother dying some time ago. Mr. Reese found them in a house with no heat—and as they told him have been living on nothing but bread since last Friday. Mr. Reese took charge of the children and gave them dinner at his home and then by instruction secured an order of relief for them until further investigation could be made."

Upon receipt of the above we investigated the matter and found that the order of relief had been taken out. The boys were Clair and Albert Anglesano. Their father Nick Anglesano lives in East End and works every day. Following the death of the mother of the children the father attempted to have them placed in the Children's Home as public charges. Because of the fact that the father was able to work and support them admission was refused to them unless their board and keep was paid. This the father refused to do, and he has been backing and filling over the proposition ever since.

The father sometime ago took up his abode away from the two boys who were left in a house with another family. The other day this family moved out and the poor little unfortunates were left alone, the county official who investigated the matter reporting that the unnatural father had grudgingly supplied them with a single loaf of bread per day and made no other provision for taking care of the little ones.

Nobody else in their neighborhood appeared to take an interest in the plight of the innocent little victims of their own father's niggardliness, and they were left to suffer in their neglected condition until Truant Officer Reese happened to run across them on his rounds and took the necessary steps that will result in the little lads getting the care they are entitled to and should receive.

Meanwhile the county officials will take the necessary steps to make Anglesano support his offspring.

TO THOSE INTERESTED IN THE COUNTY HOME FOLK

So often people wonder what they can do to help the folk in the County Home. After being captain there for several months and trying to find ways to be a help to them, I have seen where a great joy could be given many who cannot attend chapel services held every week.

A portable organ costing about \$50 would make possible song services being held in the hospitals and bringing cheer there. So I am thinking that all who would like to help buy such an organ for the Home, if they send me their contributions, I will be glad to see to the securing of such an organ and using it in the Home where I now see it can bring pleasures.

The people do appreciate the little things done for them and as I think of other ways of doing things it is a pleasure to do those things. An organ will help much if we can carry it about to those who cannot attend chapel. There is an organ in the chapel and it is kept busy during services. The folk can sing too. We have interesting services there.

So if any care to help in this good work, I will be glad to acknowledge, personally, the contribution and will publish the list, finally, in the Progress, of all from whom I receive contributions. This is a County matter and as Clearfield county employs

BRIDGE WRECK NOT AS BAD AS AT FIRST REPORTED TO FLINK

Steel Work Just Dropped On Ice and Is Salvaged; Work Will Go Right Ahead In Spring.

LOSS ABOUT \$1,000

The Progress is informed by Contractor G. A. Flink that his estimate of loss incident to the taking out of the "false work" at the Rolling Stone bridge by the ice and high water on Wednesday morning, as published in Thursday's paper, was entirely too high and was based altogether on alarmist telephone reports of the wreck.

An examination of the bridge made by Mr. Flink and the County Commissioners yesterday disclosed the fact that the damage was not nearly so extensive as first reported.

It was found that when the false work was washed away by the flood and ice the bridge steel dropped down onto the ice where it remained and lodged just below the bridge pier and proved to be easy of salvage.

A crew of men has since been busily engaged in taking the steel off the ice and storing it in a safe place, while the actual loss to the contractor will not amount to more than \$1,000 instead of the \$7,000 he had first figured it.

The accident will delay completion of the bridge as the false work cannot be replaced until after the spring freshets.

WEEKLY REPORT OF HEALTH OFFICER IS VERY ENCOURAGING

Secretary Gaulin, the Argus-eyed guardian of the public health in Clearfield, says that during the past week but six cases of contagious diseases were reported to the Board of Health, four being diphtheria and two scarlet fever. During the same period the quarantine was lifted in thirteen cases, seven of which were diphtheria and three scarlet fever.

There is a total of seventeen cases of communicable diseases under quarantine in the borough at this time. The year located as follows:—

1st Ward—Diphtheria, 1; Scarlet Fever, 1.
2nd Ward—Diphtheria, 3; Scarlet Fever, 2.
3rd Ward—Diphtheria, 2; Scarlet Fever, 2.
4th Ward—Diphtheria, 3; Scarlet fever, 3.

CLEARFIELD BREAKS INTO "WIN" CLASS BY 29-25 VICTORY

Last evening Reynoldsville High School's basketball team came here with the determination to break into the "win" column, but were turned back by the C. H. S. tossers to the tune of 29-25.

Although C. H. S. held the lead at all times, the game was not won until the final whistle. The game proved slow at different times in the first three quarters, but the fourth was hotly contested from start to finish. During this period Reynolds began to look blue for Clearfield when Redcliffe, the Reynoldsville center, displayed his ability to trip them in anywhere from the foul line to the center of the floor. The out-of-town team fought hard but were unable to overcome the lead C. H. S. had captured earlier in the game.

Hody Johnson proved the shining light for his team when he scored 8 baskets and shot 14 out of 19 fouls. Captain Bill Brown, who played a fine floor game, scored 2 field goals. The other members of the team contributed creditably, both on the offense and defense.

The score:

Clearfield High School			
	Field Goal	Gls.	Gls. Pts.
H. Johnson, F.	8	14-19	20
B. Brown, F.	2	0-0	4
Mitchell, F.	0	1-1	1

DuBois Loses

Punxsutawney, Jan. 12.—Punxsutawney, the doer here tonight when the High School team defeated DuBois, generally conceded prior to this evening's entertainment, to be the strongest of the league. The final score was 34 to 31.

DuBois came on the floor favorites but the local team led them throughout the first half and the half ended 16 to 13 in their favor. DuBois came back for a time after the opening of the second half and lead in the scoring until seven minutes before the end of the game, when Punxsutawney took the lead and kept it until the final whistle. A monster crowd witnessed the game.

DeArment fell far below his usual form in shooting foul goals for DuBois.

Brookville Heads League

Brookville, Jan. 12.—Brookville tonight defeated New Bethlehem by the score of 31 to 24. Brookville without the services of Logan, but

(Continued on Page 5).

Tom Sims SAYS---

The greatest place on earth is usually some other place. Bootleggers have an easier time in winter because in summer it is too hot to wear overcoats. The nice thing about being a man is you don't have to stay home after you wash your head. No matter which way you drive, if you don't drive the right way it may be the way to jail. They think so much about food over in China half the towns are named after some kind of chow. Hardest thing about 1923 so far is remembering your new auto tag number. The Ruhr valley seems to be a narrow strip of land between two mountains of trouble. Many a rich young fellow makes a poor husband.

Only way to end divorce is marry your second wife first. One man who can make any business pay is the tax collector. It is easy to catch a man with booze, if you have the booze. A bad way to keep a husband is to tell. When a man writes that he is putting up at a big hotel you can bet that he is putting down. Business might get better real quick if it was again the law.

Post's Cheer
One more royal trait properly belongs to the poet. I mean cheerfulness, without which no man can be a great poet, for beauty is his aim. The true hero has ever been noted for their firm and cheerful temper. Homer lies in sunshine. Chaucer is glad and erect, not less sovereign and cheerful is the tone of Shakespeare. Emerson.

MARRIED AT ELEVENTH STREET PARSONAGE

N. E. Frederick, of Pittsburgh, and Mrs. Ella Weaver, of Clearfield, were quietly married at the Eleventh Street Parsonage by the Rev. Chas. Gibson on Thursday, Jan. 11th 1923. Mr. and Mrs. Jerry Eaton, Jr., sister and brother-in-law of the bride were the attendants.

Mr. and Mrs. Frederick will reside in Clearfield.

Mr. and Mrs. Weaver, the eldest daughter of Mr. and Mrs. J. J. Weaver of this place, is the bride. She is the daughter of Mr. and Mrs. A. J. Frederick of Pittsburgh, and is employed as baggage master at the New York Central station in this place.

Physical Make-Up Important.
The physical make-up of the individual plays an important part in the development of the personality, and in many instances determines the success or failure of a normal biological life.—Dr. Irving J. Sanders

COULD HARDLY DO ANY WORK

Since Taking Lydia E. Pinkham's Vegetable Compound This Woman Feels So Well

Kecleville, N. Y.—"I cannot praise Lydia E. Pinkham's Vegetable Compound too highly for the good it has done me. I was so much troubled with female weakness I could hardly do any work. I saw your advertisement in the paper, and read it to my husband. He said, 'You had better try Lydia E. Pinkham's Vegetable Compound,' so I bought six bottles, and by taking it I am not troubled as I was. I am gaining strength and getting fleshy. My female troubles have vanished and I have never felt so well. The Liver Pills are the best I ever took. If you think my letter will encourage other sufferers you have my permission to use it as an advertisement."—Mrs. SARAH BLAISE, Box 177, Kecleville, N. Y.

Doing the housework for the average American family is some task, and many women love their health in so doing. If you, as a housewife, are troubled with backache, irregularities, are easily tired out and irritable, or have other disagreeable ailments caused by some weakness, give Lydia E. Pinkham's Vegetable Compound a trial. Let it help you.

If you enjoy reading The Progress today send \$4 and get it every day in the year. By the month it is fifty cents.

NEW LAMP BURNS 94 PER CENT AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government in 15 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke, or noise, and burning 94 per cent of the air in the room, common kerosene (100 per cent) is used. The inventor, S. K. Johnson, 642 N. Broad St., Philadelphia, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will hold him out for it. Write him today for full particulars. Also ask him to explain how you can get the agency and without experience or money make \$250 to \$500 per month.

JAN. 10 TO JAN. 25

Blankets and Comforts

Now is the time to buy Blankets and the ten per cent off our regular prices makes them an attractive buy. The same holds true of Comforts. Spend the rest of the winter in warmth and comfort. It makes for health and efficiency.

SHOES

We cannot attempt to enumerate the range of styles and quantity of our stock of serviceable and good looking Shoes. There are Shoes here in such a variety of taste that every need, from that of the plowman to the most elite dresser, can be filled. All sizes so we can be sure to fit you.

UNDERWEAR

Underwear is a seasonable article. Most people have some holdover suits from last year that is beginning to wear out and must be replaced. Buy now at ten per cent off and not only have the use of them this cold weather but get a good start on the next winter.

DRY GOODS

This will be the most popular department in the store. Our stock of Ginghams, Percales, Muslins, in fact everything in shelf dry goods is right up to top-notch. You are invited to look over every piece we have. Remember that ten per cent off our prices makes real bargains.

HOSIERY

Stockings cause the average mother more worry than any other article of apparel. Those stockings you bought at the beginning of the school year are taking too much of your time in mending. Stock up now, not only on the children's needs but on hosiery for the whole family.

GLOVES

What more necessary thing is there in this climate than gloves. Man cannot work without warm fingers, neither can mother go out this winter weather without them. Johnny and Mary must have them for school. Our stock is complete. Call and see it.

NOTIONS

Under this heading comes everything not enumerated in the other panels of this advertisement. Ten per cent comes off of every item in the store when cash is paid when the purchase is made. Now is the time to buy those little things that you have needed so long.

"The House of Quality"

CAN LAW REGULATE SHORT SKIRTS?

By BOB DORMAN

NEA Service Staff Writer.

RADLEY BEACH, N. J., Jan. 13.—Should the mayor and the city commissioners tell the women what the length of their skirts may be?

Wars have begun on issues less than this. And war brews in Bradley Beach.

The thing that is keeping four city officials and two policemen awake nights and stirring women citizens to a froth of indignation is this: What shall be done with the petition, perfectly legal and regular, asking the city commissioners to declare war on long skirts?

The Long and Short of It.

Ignore it? Pigeonhole it? Or pass an ordinance legalizing short skirts and penalizing the wearer of a long skirt. If so, how many inches up the feminine leg shall the hem of the skirt be legal.

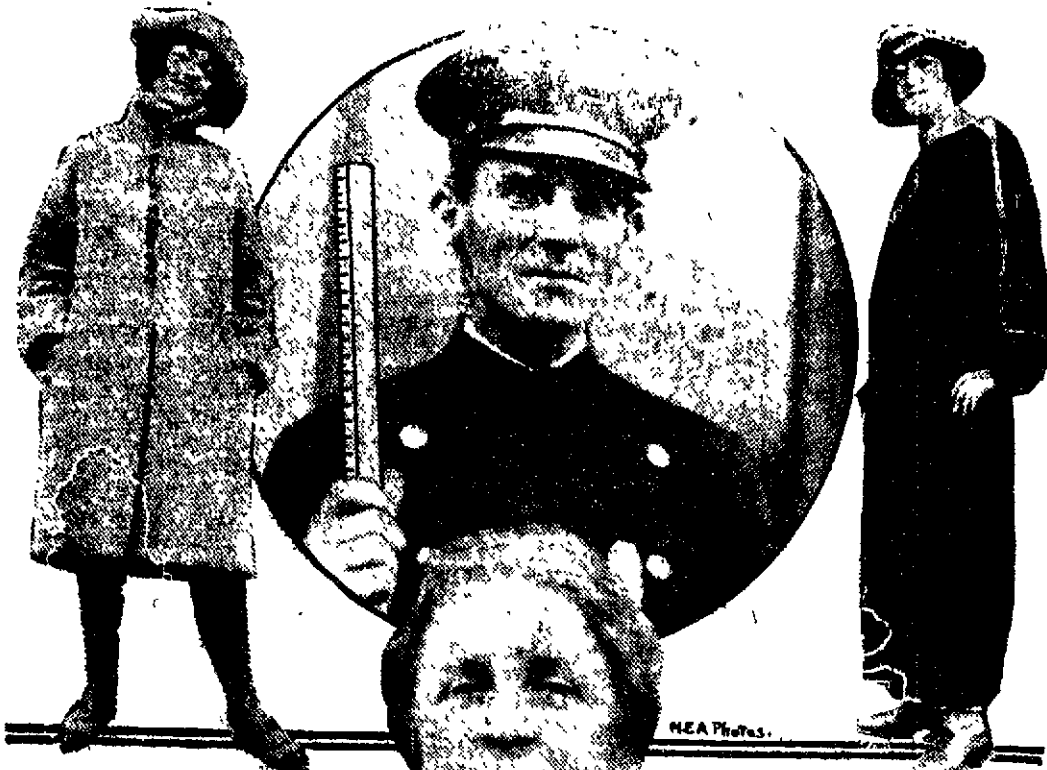

Women of this seaside resort are busy giving out burning statements.

"Utterly foolish to present such a matter to a bunch of men," said Mrs. Frank C. Borden, Jr., wife of the mayor. "No man shall tell me what to wear. Women have enough good taste to decide what their own costumes shall be."

Said Mrs. Edward DeBow: "No body's business but ours. Skirts should be decently long and not indecently short."

"What!" said Mrs. Viola Agueron. "Ask the mayor what to wear? I'll have no man tell me—law or no law."

The four city commissioners, including the mayor, have nothing to say for publication. (All of them, it seems, are married!)

Politics Complicates Issue.

Mayor Borden, who is also director of public affairs and safety, skillfully keeps skirts out of his conversation. Commissioners John Roger, Bernard V. Poland and Frederic P. Reichert all change the subject when it is mentioned.

Politics have thickened the plot, too. These harassed officials come up for election in May. Short skirt votes and long skirt votes are being estimated secretly.

Patrolman Charles J. Poland, in relation to the commissioner, with

his beat trying to keep his eyes off the hems of the skirt enroute. With some misgivings he contemplates the possibility of having to throw away his nightstick and arm himself with a yardstick to help him keep every skirt within the law.

Pros and antis, meanwhile, are wearing what they please. For instance, Miss Elizabeth Poland, daughter of the man who may be an umpire of skirts if the ordinance is passed, likes 'em long, and Miss Ruth Hesse is one of those who wears 'em short.

PATROLMAN CHARLES J. POLAND MAY SOON CHANGE HIS NIGHTSTICK FOR A YARDSTICK. IN THE BRADLEY BEACH (N. J.) SAIKI WAR, HIS DAUGHTER, ELIZABETH (RIGHT), IS FOR THE LONG LENGTH; MISS RUTH HESSE (LEFT) IS FOR THE SHORT. MRS. FRANK C. BORDEN, JR., (ABOVE), WIFE OF THE MAYOR, BELIEVES IN HANDS OFF.

Formation of Mercury.

Mercury occurs native in the metallic form, but by far the larger part of it is obtained by distilling the native sulphide, cinnabar, in a current of air so regulated as to burn the sulphur of the sulphide while leaving the mercury in the metallic state.

Worth Thinking Over.

Here is a rather telling point made in a play running in New York. "Some of us imagine we are misunderstood, when the trouble is we are understood by others and not by ourselves."—Boston Evening Transcript.

Chinese Heal by Faith.

In China the art of healing is still based on faith and superstition.

For Flappers

Here is the dress that last year's flappers are wearing. High neck, long sleeves, long skirt. Pleasant sleeves are worn on all manner of frocks and are even seen on fur coats. The side panels are in danger of touching the ground as she sweeps along in her new dignity.

W. H. Jeans, the English astronomer, who says the North Pole is moving twenty feet per year, has demonstrated England is on the very top of the earth. Jeans calculates that the earth is slightly pear-shaped with the top in a spot in Southwest England and the stalk end in the South Pacific. Jeans believes the moon is a chip off the stalk end. The London Daily News reports these calculations have been rewarded by a medal from the Royal Astronomical Society.

"The click of type hath more of might Than fortress grim or castle wall; And it can batter towers to dust, That laugh at siege and cannon ball."

With these few remarks we want to also say that the town clock in the Court House steeple emerged last evening from its sack cloth and ashes and showed all four of its bright and smiling faces to those who care to gaze upon it. Somebody said let there be light and two light globes were immediately forthcoming again.

Australia Leads in Churches. Australia has more churches in proportion to its population than any other country.

CAN'T COUE CONVERSATION BE CANNED?

Then Fame, Riches, Wives Might Be Easier to Get

By the Optimistic Reporter

A well-known fortune teller of Clearfield who asked that his name be withheld, today made the following statement concerning M. Coue:

"We whose business it is to look into the future are appalled at the ramifications of Coueism that seem possible of development.

"Consider the fact that the pharmacist of Nancy, now spreading through America his gospel of auto-suggestion, is 66 years old. What will happen when he is no longer here to teach us how to mutter those magic words: 'Day by Day in every way I am getting better and better?'"

"Why not can Coue's curing conversation? The phonograph or radio or both, ought to be impressed into service. Borrowing a bit from these appliances perhaps some inventive genius will perfect a Coueograph—a vast pocket mechanism for throwing the mentality into high gear.

"A salesman could carry one under his hat, breathing softly to himself his skill these magic words: 'I'm getting better and better.'"

"Candidates for political office might hear the returns with one ear and listen to the Coueograph with the other: 'I'm better, better, better—I'm elected, elected, elected!'"

"Wouldn't that be lovely? And the man proposing to his sweetheart might carry one in his pocket next to his heart, whispering soft and low: 'I'm the guy, I'm the guy, I'm the guy—I've got her, got her got her!'"

"What a Godsend for a broker's office! I'd suggest a megaphone suspended over the stock ticker, shouting encouragement: 'We're getting richer, richer, richer—hear the ticker tick richer, richer, richer!'"

"Pleasing possibilities like these are limitless—for the movie star yearning for greatness, the fat lady who wants to get thinner and thinner, artists and authors who dream of fame, pugilists, home run hitters and so on. If we can Coue we can make the future rosier and rosier and rosier.

Giving and Receiving.

We are as answerable for what we give as for what we receive; nay, the misplacing of a benefit is worse than the not receiving of it; for the one is another person's fault, but the other is mine.—Seneca.

Last of Human "Fur Coat."

Hairs on the human body are the dwindling vestiges of the warm fur coat of hair which animals developed to meet the conditions of the ice age.

"Riches don't necessarily bring happiness to their possessor," remarked Mr. Graboan, "but once a man acquires wealth it's extraordinary how many times a day earnest callers will tell him he's in a position to contribute to the happiness of others."—Birmingham Post.

A Way to Learn. Asking questions is one way to find out, but just listening is about as certain and arouses less suspicion.—Archibald Globe.

Methodism in America. Immigrants from Ireland and England brought Methodism to the United States. One group headed by Philip Knibury formed what was called the first Methodist society in America in New York in 1703. About the same time Robert Strawbridge began to preach and form societies in Frederick county, Maryland. Some claim the Maryland beginning was prior to that of New York. The matter is in controversy.

A Nation's Tribute to Buick. There is an inspiring tribute to an industry in the universal recognition annually accorded the National Automobile Shows. Thousands come to these exhibitions from every section of the continent and from foreign lands as well, and their advent is widely heralded the world over. In the twenty-third National Automobile Show, just opening in New York, and later in Chicago, the nation is provided with a display of its chief means of personal transport. This display is so complete and so new, so different from that all who come may easily carry away a perfect picture of the latest accomplishments in motor car building. Year after year the national shows receive the homage of the entire country. Year after year they mark by their own increased magnitude and splendor, the increased growth of the automobile industry. In occupying first place at both national shows for the fifth consecutive year, Buick confirms the position in the industry awarded it by universal public opinion.

E. E. ORCUTT'S GARAGE. North Third Street. Clearfield, Pa. When better automobiles are built, Buick will build them.

ODDS AND ENDS AND THINGS. By J. D. C.

"A man convinced against his will is of the same opinion still." We heard an ex-Republican say yesterday that the reason Governor Pennington appointed Ellen Potter head of the State Welfare Board was because he didn't want his to be considered a "one old woman" administration.

County Controller Grant H. Thompson is hard at work preparing his statement of the receipts and expenditures of Clearfield county during the past year. The law provides that the County Controller shall during January of each year prepare and submit to the Judge of our Common Pleas court under oath a statement of the receipts and expenditures of the county for the preceding year, the same to be published by the Controller for general information in certain newspapers designated by the Controller, the cost of such publication not to exceed \$1,000 in any one year.

Speaking of the loss of the royal order of "Neck Lubricators" when the usually handy "slip twist the cup and the lip" resulted in their losing the \$2100 contributed for a cargo of liquor which escaped—also the cash—at the last minute, we are reminded of that old story of the fellow who returned to his late wife Sunday morning, after spending the night previous in a poker game, minus every cent of his week's pay check. When taken to task for his escapade, the hubby replied "Well, Mary, I lost it all on good hands." The "sufferers" who donated \$105 per can all stand the "jar."

With the Teacher's County Institute coming at the start of the school term it is feared many of the teachers will have to "pack a bucket" of grub at home, enough to last a week, before coming to Clearfield, with their first pay check thirty days in the distance.

We often hear about the farmer's ability to feed himself. Here is how near he comes to doing it.

The average farm is 60.3 per cent. self-sustaining as far as its food supply is concerned, according to an official study just concluded by experts at the Agriculture Department.

Approximately 39.7 per cent of the food consumed on the average farm is grown in a locality foreign to that farm and must be transported there by railroad, the study shows, taking the United States as a whole.

Farmers might be 9 per cent more self-sustaining than now, the Agriculture Department experts concluded, pointing out that this additional proportion of food were grown on farms where consumed, a big

OBITUARY

DIED OF FRACTURED SKULL

Philipsburg, Jan. 12.—A fracture of the skull, received when she fell on the ice at Pottersdale, Clearfield county, two weeks ago, caused the death of Mrs. Edna B. Maney at her home at 721 Alder street, Philipsburg, at 4:10 Thursday afternoon, Jan. 11th.

Mrs. Maney had gone to Pottersdale to nurse Mrs. Sarah Peavy, who had been ill. She was brought to her home here Jan. 3rd and though every effort was made both at Pottersdale and after her return to her home to bring about her recovery, she grew worse from day to day, passing away at the time above noted.

Mrs. Maney was the widow of Frank Maney and was born in Clearfield county on Aug. 4, 1866, and her earlier life was passed in Pottersdale. Her parents were Mr. and Mrs. James Lucas, both deceased. In 1887 she was married to Frank Maney.

These children survive: Mary, wife of Albert Watson, of Philipsburg; James, of Pottersdale; Nora, wife of Clarence Nicholson, of Philipsburg; George, of Morgan Run; Mabel, wife of George Gottschall, of Ninth street, and John, Frank, Herman, Homer and Harold at home. There are 15 grandchildren and one great-grandchild. Three brothers also survive: namely, Thomas and William, of Howard and George, of Pottersdale.

The deceased, who was a Methodist and a resident here during the past 12 years, was a worthy woman and a kind and affectionate mother devoted to her family and home life. Her death is very sincerely regretted and the family members are receiving the sympathy of their friends in their sorrow over their loss.

JAMES BEAUSEIGNEUR DIES

James Beauseigneur a respected resident of Clearfield for many years, passed away at the Clearfield Hospital at 4:30 o'clock this morning, the result of valvular heart trouble, after an illness of several months duration.

The deceased was a native of Girard township, but moved to Clearfield with his family in 1909 and had since resided here. He was employed at the Glass factory when it was in operation and of late had been working at the tannery. He was an industrious, good citizen and enjoyed the respect and esteem of a wide circle of friends.

He is survived by his widow, one son, two daughters, as follows: Clarence of Lawrence township; Mrs. J. Fred May and Miss Amanda, both of Clearfield. Two brothers, Henry and Joseph Beauseigneur, both of Girard township also survive him.

The funeral will be held from St. Francis church at 9 o'clock Monday morning. Interment in Calvary cemetery.

Clearfield Breaks

(Continued From Page One.)

It is expected that he will be in uniform for the DuBois game next Friday. Swindell, Hawthorne, Batsina, Forsythe and Black played for the local, while the New Bethlehem team was composed of the Carlos brothers, Murray, Travis and Geist. Standing of the Teams.

Loose Making.

The process of loose making was invented at St. Amberg in Saxony, by Barbara Uttman, in 1581. It flourished in Holland and Belgium for some time before its introduction into England, which tradition ascribes to some English teachers who resided in the village of Cranfield, Bedford.

Long-lived Ties.

The heart of the common oak. It is said, begins to rot at the age of 200 years so each when an oak is undisturbed it must live much beyond 500 years. A larch may live 275 years, a silver fir 125 years and a pine over 500 years. The yew has a remarkable power of resisting time's ravages and may survive for 1000 years or more.

Origin of Ice Cream.

The origin of the French ice cream and some of its early publication says the story is not invented by an American. It is known to the Romans and to the Chinese and Persians in 1200 A. D. When Queen Catherine de Medici left Florence to marry the King of France she took Italian ice cream recipes with her. While Charles I had a cook who possessed the secret recipe.

Cure Joint Mica.

A process for jointing mica has been patented by a California man. It consists in burning the mica into contact, applying a mica solution, and subjecting the whole to heat and to slight pressure. With mica used as a flux mica may thus be jointed to metal.

Less Meat if Kidneys Bother

Take a glass of Salts if your Back hurts or Bladder troubles you.

No man or woman who eats too much meat can make a mistake by flushing the kidneys occasionally, says a well-known authority. Big meat eating may develop uric acid, which excites the kidneys; they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood; then we get sick. Rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys, or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of stinging, stop eating meat and get at least four ounces of Jaid Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast, and in a few days your kidneys may act fine. This famous salt is made from the best of grapes and lemon juice, combined with lithia, and has been used in generations to flush and stimulate the kidneys; also to neutralize the acids in urine so it no longer causes irritation, thus often ending bladder weakness.

Jaid Salts is invincible and can not injure; makes a delightful clearance of lithia, water drink, which everyone should take now and then to help keep the kidneys clean and active and the blood pure, thereby often avoiding serious kidney complications.

THE FUNNIEST MEN YOU EVER SAW ARE IN MISS BOB WHITE

That tasty musical revue of pastoral novelty and charm is to be seen in "Bob White" at John B. Rogers Producing Co., extravaganza, under the auspices of Clearfield High School Auditorium on the dates of Jan. 17 and 18, nites only.

The roles to bring comment from everyone are Horace McGee as Tre Billion; Harold Johnson, Van Million, the two millionaire tramps; Bob White played by Miss Edwena Brown; Yankemmin, the village copper, Carl Mann; Lord Bashful, Ray Shurey, and his father, the Duke of High Titles, John Bratton.

The show has several pretty love plots that work out to the satisfaction of everyone. Act I opens up on the farm of Friend Rodd, a sturdy old Quaker, where Tre Billion and Van Million, two millionaires forced to be tramps for two months, thru a fool election bet, masquerade as real "knights of the road." Act II, is the same farm, but the kitchen of Friend Rodd, where Tre Billion, Van Million and Bob White furnish wonderful comedy with pretty melodies. Act III, is the home of Tre Billion and the completion of the bet, where everything is carefully and pleasantly revealed and ends with the "Mystery of Love" waltz a tune you'll never forget.

Director Miss Blakemore said that everything was coming along in first class shape and expected to stage one of the best shows of her career. Adv.

SHERIFF'S SALE OF VALUABLE REAL ESTATE

By virtue of a writ of Levari Facias issued out of the Court of Common Pleas of Clearfield County, and to me directed, there will be exposed to public sale in the Arbitration Room in the Court House in the Borough of Clearfield, on

FRIDAY THE SECOND DAY OF FEBRUARY, 1923

at 10:30 o'clock a. m. the following described real estate to wit:

To be sold on a writ of Levari Facias on Friday, February 2nd, 1923, at 10:30 o'clock a. m.
All that certain tract of land situated and being in the County of Clearfield and State of Penna. and particularly described as follows: Beginning at intersection of Twp. road with twenty-foot alley, in the Village of Munson; thence by said alley north twelve degrees East 212 feet to a post; thence south eighty-four degrees East 20 feet to a post; thence by lands of E. J. Gougeon and others North 15 degrees thirty minutes East 147 feet to post; thence by lands of Mrs. Diodnok South sixty-eight degrees thirty minute East sixty-two feet to a post; thence by lands of Anna Barnish and T. C. F. H. bun lot South fifteen degrees West 349 feet to corner store building, thence by aforesaid Twp. road North seventy-nine degrees West 99 feet to a point of beginning; containing 106 porches. Having thereon erected two 2-story frame buildings, one occupied as a store and dwelling, and the other as a store; and as well a frame barn.

Being the same premises the title to which became vested in August Doll, mortgagor herein, by deed from Jennie Arstein et vir of even date herewith, and intended to be recorded—this being a purchase money mortgage.

Reference being had to records of Clearfield County will more fully and at large appear.

There is included in this mortgage soda fountain and all stone fixtures of any nature and character contained in the store building, as being part of the real estate, including as well gasoline tank.

Together with all and singular the buildings, improvements, wares, fixtures, water courses, rights, liberties, privileges, hereditaments and appurtenances whatsoever unto the hereby granted premises belonging, or in anywise appertaining, and the reversions and remainders, rents, issues, and profits thereof.

Seized, taken in execution and to be sold as the property of August Doll.

TERMS OF SALE
The price or sum at which the property shall be struck off must be paid at the time of the sale, or such other arrangements as will be approved, otherwise the property will immediately be put up and sold again at the expense and risk of the person to whom it was struck off, and who, in case of deficiency at such resale, shall make good the same, and in no instance will the deed be presented for confirmation unless the money actually paid to the Sheriff.

THOS. J. LOWELL, Sheriff, Clearfield County Sheriff's Office, Jan. 4, 1923. 1/6 13 23 27 ch

Ford

THE UNIVERSAL CAR

INTERESTING FACTS

106,327 Ford Cars and Trucks Retailed in November

Approximately the same number scheduled for delivery this month

What Does This Mean?

This volume of deliveries to actual owners is entirely unprecedented for this time of the year—

It has taxed the manufacturing ability of the Ford plants working at full capacity—

It indicates a volume of business during the rapidly approaching months of "heavy demand" which will be far beyond the maximum production schedule which the Ford Motor Company has set—

And that means a Ford shortage even more acute than the one which existed last Spring and Summer.

Dealers' stocks all over the country are low—there are no reserves to draw upon to meet the demands for delivery—

There is no way in which dealer reserves can be built up, as deliveries have been made to customers as fast as Cars could be manufactured since last April.

The only way you can protect your desire to obtain prompt delivery of a Ford even at this time is to place your order immediately.

This emphasizes more strongly than anything we could possibly say the necessity of your making prompt arrangements with a Ford Dealer for the listing of your order, particularly if you are contemplating the purchase of a Ford Car or Truck for use this Spring or Summer.

We believe you are entitled to know these facts as they actually exist.

NEWS OF
OUR
NEIGHBORS

CURWENSVILLE

Mrs. George Bair was summoned to her home by the serious illness of her mother, Mrs. H. H. Osman at Port Matilda, Pa.

Mrs. Herbert Kramer has been ill at her South Side home for some time suffering from an attack of tonsillitis and quinsy.

Farmers coming into town yesterday from out along the pike reported the highways badly drifted with snow, some of the banks being so heavy and high that it was impossible to force a vehicle of any description through. A number of automobiles were dead on the road between the top of Anderson Creek hill and the Rheams watering trough. Most of the agriculturists who, from necessity, had to make the trip to town for the purchase of one thing or another, had to "pad the hoof" to get here and back home again.

Instead of the regular Sunday school lesson being taught in M. E. school on Sunday morning, the time will be occupied in the holding of a general memorial service in honor of the services rendered to school and church by the late departed James C. Bloom. One of the large rooms in the High School building will be utilized for the occasion, the church auditorium not being properly equipped as yet for gatherings of any kind whatever. Appropriate comments upon the Christian life and church work by the departed have been prepared and will be delivered by Pastor Collins and others who have been in close touch with Mr. Bloom and his work for a good many years.

Prof. Grant Norris and wife went up to New Millport yesterday and attended a birthday anniversary of Mr. Norris' mother, who has passed the three score and ten period in life by some years.

Ice must have frozen to the proper thickness in many of the streams herabouts within the past week, as the scribe noticed yesterday that several farmers were filling their ice houses, and are not going to chance more freezing weather than we have had. There is nothing like

"making hay while the sun shines, cutting ice and harvesting it before the flow passes out of the streams."

The every night meetings that were held in the Presbyterian church commencing with last Sunday, closed last evening. There was a good average attendance at each session, and a new zeal in church and general Christian work awakened.

Mrs. Harry Adelman, who has been ill for over a month, and spent some weeks in Clearfield hospital, under medical treatment, was able last evening for the first time to sit at table and partake of a light meal.

Clude Bloom has again assumed his duties as manager of the Workman's store on South Filbert street after a three week's knock out by an attack of quinsy.

The sale and transfer of the Patton brick block has been about completed, were it not so, the tenants would not have had their rentals raised. The new owners are A. Z. Wolf, Howard Thompson and C. Orrie Norris. The small brick structure on the west end of the block, occupied by the Curwensville National Bank, was not included in the deal, and another stipulation to the transfer was that no room or part thereof should be leased for the purpose of establishing another bank.

A friend of M. J. Kelly, who is in the hospital at Clearfield under the care of a physician, informed us yesterday that he was gradually improving and that his condition was much better than could really be expected under the prevailing circumstances.

A Testimonial Banquet in honor of the Curwensville football team of 1922 was given by the Alumni Association of the Curwensville High School on Thursday evening, January 11th, at the Park Hotel. About seventy-five partook of the bountiful menu consisting of rice soup, roast young milk fed chicken, filling creamed mashed potatoes, carded sweet potatoes, cream peas, cold stew, cranberry sauce, pickles, olives, celery, pumpkin pie, ice cream, cake and coffee. The tables were artistically decorated with the High School colors, black and yellow.

Between the serving of the different courses of the menu penny songs were rendered from the Ginger Jar collection, Mr. Fred P. Robinson and Prof. George E. Croyle leading. On account of sad death in the community the orchestra was unable to take its customary place, but Miss Mildred Tate, one of the Curwensville teachers, filled in at the piano.

At the conclusion of the menu Fred P. Robinson, President of the Alumni Association, proceeded with the secondary part of the program. The first was the election of officers which resulted as follows: President, Fred P. Robinson; Secretary, Grant Norris; Treasurer, Harry G. Gates. A resolution was unanimously adopted inviting James Black to accept the position as coach again next year. Mr. Gates, Treasurer, reported that all bills had been paid, leaving a balance in the treasury of one hundred dollars.

Toasts were delivered by Coach James Black and Principal Grant Norris. Mr. Black reviewed the activities of each individual player during the year and prophesied that Curwensville would have a much stronger football team next year than they had this year. Mr. Norris spoke particularly on athletics as being a part of scholastic training. Mr. Robinson took great pleasure in introducing Messrs. Woodwall and Robinson of Clearfield. The gentlemen in turn spoke in very complimentary terms of the Curwensville football team and gave us to understand that Clearfield and Curwensville have elevated high school athletics to their rightful place in this community. In the near future a football manager will be selected and a schedule arranged for next year's work. The student managers are to be elected also.

The following players, having played twelve quarters during the season, were presented with letters: Walter Olson, Charles Norris, Nathaniel Edwards, Harold Starr, Lee Smith, Robert Humphries, Ray LaPorte, Guerry Brunetti, Clifford Kephart, William Starr, Orville Hipps, Hugh Kelley, Henry Hile, Raymond Manier, Chester Frankhauser, Leon Tosi and Victor Grandi. David McKelley, Student Manager, was also presented with a letter. The Seniors, on account of going away from school this year, were presented with solid gold watch charms in the shape of a football. They are as follows: Walter Olson, Charles Norris, Nathaniel Edwards, Harold Starr, Lee Smith, Robert Humphries and Victor Grandi. Captain Olson, in a very neat speech, received these footballs and promised that each member of the class would try to leave himself in the future to be as these footballs, real gold. Mr. Sol Robinson, Manager of the football team, sprang quite a surprise upon the banqueters by presenting to Coach Black a sweater which, as he said, "is all wool and a yard wide except the buttons." Mr. Robinson proved himself to be an efficient manager of the football team during the past season and it is regret-

ted that Clearfield is trying to claim him.

Mrs. Mary J. Norris, widow of Thomas S. Norris, living on the old homestead with one of her sons, R. W. Norris, celebrated her eighty-third birthday on Friday of this week. It is remembered that Thomas S. Norris was a prominent lumberman and farmer of this county, being one of a family of ten brothers and six sisters of the late John Norris of Pike township. His death occurred in April, 1889. The following children were present at Mrs. Norris' anniversary: Perry A. Norris and wife, Wade A. Norris and wife, Grant Norris and wife, Blake W. Norris and wife, Mrs. George M. DeMaas of Philadelphia and Mrs. Geo. J. Thurston of Clearfield. Mrs. Laura Fricks of Eureka, California, and Mrs. J. S. Sohl of Livingston, Montana, were the only children unable to be present. Many grand children and a few great grand children were present, together with Mr. and Mrs. Isaac Wolfe and Mrs. Alfred McCracken.

Mr. A. B. Kressly, from the Bureau of School Buildings, in the Department of Education at Harrisburg, is now in Curwensville making a survey of the educational needs of this town. He is covering the field of education in Curwensville in all its various phases and will re-

port his findings to the Department of Education at Harrisburg.

The Colonel T. A. Irvin Literary Society rendered a very excellent program in the High School Auditorium last evening. Special mention should be made of Miss Gertrude Erhard, a second grade pupil, who sang in a very pleasing manner; also the debate, the school paper, the dialogue, recitations and piano solos. William Kittleberger is president of this Society.

WOODLAND

MacK Rowles is ill of diphtheria at his home on Main street.

A new baby boy arrived early this week at the home of Mr. and Mrs. John Stiner.

Guy Snyder of Mineral Spring was again taken to the Clearfield hospital on Wednesday evening. His condition is serious, we are sorry to learn.

A sled load of young people came out from Clearfield and spent Thursday evening at the home of Mr. and Mrs. Ross Livingston.

How many of our people are interested in "Miss Bob White," the play to be given next week by the Clearfield High School? Woodland pupils having part in the play are

Thelma Reese, Elizabeth Barger and Bessie Baker.

Misses Naomi Wheeling and Rose Palmer, who have for several days this week been confined to their respective homes with the grippe, are improving at this writing.

Miss Catherine Pearce was operated upon for adenoids and tonsils at McGirk's sanatorium, Pampsburg, on Wednesday and is getting along nicely.

The Philathea class of the M. L. Sunday school held its regular monthly meeting Thursday evening at the home of Miss Pearl Woolridge. The ladies' Bible class was also delighted.

fully entertained the same evening at the home of Mrs. Harry Varner.

Drillers are at work on the E. B. Albert farm east of town, drilling for clay.

Members of the M. E. congregation on Monday evening dismantled the auditorium of the church preparatory to having it redecorated and a new lighting system installed. Sunday school will be held next Sunday morning in the social room of the church.

Mr. Munson of East Waterford is visiting at the home of Rev. and Mrs. C. B. M. Reidell.

Sunday Dinner

GO TO

JORDANS

Mr. North and Carl Bruen of Reynoldsville attended the basket ball game here last evening.

Mrs. J. A. Shull has returned from visiting her sister in Johnstown.

Miss Katharine Tozer is ill with grippe at her home on Front street.

Mrs. Cyrus Hoover arrived Thursday evening from Manor, Pa., to attend the funeral of her sister, Mrs. Curtis Taylor.

Mrs. Alex E. Patton arrived last evening to visit with her sisters.

Ed Letzinger, Jr., arrived home today from a shopping trip in New York.

Born to Mr. and Mrs. John Cutler, Jan. 10, a son.

Mrs. Forrest Livingston was called to Ashtabula on account of the illness of her brother.

Mr. and Mrs. Arthur Lewis of Karthaus are spending the week end with Mrs. Lewis' parents.

Miss Corrine Roth of Curwensville shopped in our stores today.

Mr. and Mrs. C. M. Shaw, of Pittsburgh, are here attending the funeral of the former's sister, Mrs. Curtis Taylor.

Mrs. M. O. A. Sahn entertained a number of friends last evening at her home on South Third street. The evening was spent in playing cards after which dainty refreshments were served.

Signs of Spring

This is a style that is seen in the most advanced fashions that gives a hint of what April May and June will see us wearing. It is the three-piece suit—ditto and short jacquette. The fact that the jacquette is a prime model may be told from the loose cape-like sleeves and the wide reverses.

Mrs. Jack Fulford of Boardman is spending the week-end with her father and family.

Mr. and Mrs. Thos. Beahan announce the birth of a daughter, Jan. 10th, at their home on Locust street.

Mr. and Mrs. L. G. Runk of Philadelphia spent yesterday in town.

Miss Esther Beahan returned last evening from a shopping trip to New York City.

Don't neglect that cough. Wenck's Glycerole or Tar and Wild Cherry will give relief without harmful dose or alcohol. 25c and 50c.

January CLEARANCE Sale

Closes Saturday January 13th

A GOOD TIME TO BUY

The January Sales inaugurate a value event in every department of the store, values so decisive that they are an incentive to buy those things which you really need, and also the one or two extra costumes that you are so anxious to have because of the added attractiveness that they will lend to your appearance. Prices have been brought down to the very lowest level and special purchases have brought selections up to a point of unusual attractiveness.

A. W. Leonardson Company

Gossip For Tonight's Tea Table

A reading notice appearing in this column yesterday was misleading. The Progress is \$4 per year only when it can be sent by mail and it is sent by mail and it cannot be sent by mail to anyone living in Clearfield Borough because of the postal regulations. The price by car delivery is twelve cents per month payable to the boy.

Mrs. F. G. Betts left yesterday for Greensburg and Pittsburgh where she will visit.

Mrs. Catherine Chapman and Mrs. H. Sweeney of Houtzdale were shopping in town yesterday.

The Junior Auxiliary of the Clearfield hospital held a meeting yesterday in the Dimling.

Miss E. May Witherow, A. R. C., conducted business yesterday in Madison.

THE CLEARFIELD PROGRESS, CLEARFIELD, PA. SATURDAY EVENING, JANUARY 13, 1923.

NUMBER 11

FRANCE WILLING TO GIVE GERMANY UNTIL JANUARY 31ST TO MEET THE IMMENSE PAYMENT DUE ON MONDAY

Paris, Jan. 13.—While French and Belgian troops hold the Ruhr in a grip of steel, the Allies Reparation Commission met today to decide if future punitive measures against the Germans must be taken.

Lewis Farthou, French Representative, proposed that Germany be given until January 31st to meet the next payment of five hundred million gold marks due Monday.

The Commission adopted the vote by postponing until January 31st, the date that the next payment is due.

Sir John Bradbury, British Representative, abstained from voting.

American Observer Boyden asked permission to publish the text of his remarks before the last session on the subject of America's attitude toward the Ruhr invasion, explaining there had been conflicting reports concerning it.

Permission was granted.

SUCCESSFUL ERIE BUSINESS MAN TO HEAD HIGHWAYS

Neighbor John Fisher Insurance Commissioner Until State Creates Dept. of Commerce.

GOOD SELECTIONS

Harrisburg, Jan. 12.—Paul D. Wright, of Erie, has been named by Governor-elect Pinchot to become State Highway Commissioner during his administration.

A second appointment announced by the Forester of major importance was that of John S. Fisher of Indiana, former State Banking Commissioner, who has been asked to be the Insurance Commissioner until the new department of commerce is created.

The new governor, in announcing the appointment of Mr. Wright said, "Selecting a cabinet when you do it yourself is one of the most difficult tasks I ever undertook. One of its troubles is that the men you want usually are fully occupied with their own affairs and have good reasons why they cannot accept. I have had difficulty in persuading the most of the members of my cabinet to drop their own work and take up that of the State, but none so much as with the new commissioner of highways, Paul D. Wright, of Erie. Him I commended and refused to take no for an answer. After weeks of refusal entirely justified from the point of view of his own interests, he has finally accepted. He comes to serve the public at a great sacrifice to himself. I owe him a great debt. Before he is through, the State of Pennsylvania will likewise."

Like the new Attorney General, George W. Woodruff and Commissioner of Forestry, Robert Stewart, as well as the new governor, Mr. Wright is a graduate of Yale. At present he is president of the Reading Manufacturing Company of Erie. He has been a leader for good government in his home county and is head of the Republican Citizen League since its organization. He has been interested in the good roads movement. Mr. Wright was a member of the Pinchot Citizens' Committee on the finance of Pennsylvania.

The new head of the Insurance Commission is well known throughout the state. For years he has been identified with public affairs, having served as a State Senator and afterward as Commissioner of Banking, the position which he relinquished aspiring to be a Republican gubernatorial candidate at the primaries, resulting in favor of Mr. Pinchot. Following the nomination of the Governor-elect he has been in constant touch with the Pinchot policies which played an important part in the Pinchot Citizens' Committee.

Dick Leopold, who has been confined to his bed the past three days with a severe cold, is reported somewhat improved.

Mrs. John Forsyth entertained at dinner in honor of Dr. Lever F. Stewart and Elizabeth Eyster, whose marriage will be an event of the near

HULL, PROSECUTOR OF KEPHART, HANDS IN HIS RESIGNATION

Harrisburg, Pa., Jan. 13.—George Roes Hull, First Deputy Attorney General resigned today. He has held that office since last summer when Robert Gawthrop, who held the place, resigned to go to the Superior Court, to which he was elected in September.

Hull has been assigned to the prosecution of former Treasurer Harman Kephart and his resignation is regarded as a ploy in the handling of the case for the State. He has made substantial progress in the Dauphin County Court.

APPOINTMENT OF KILLINGER COMPLETES PENN STATE STAFF

State College, Pa., Jan. 13.—The appointment of Glenn Killinger, former all-around star athlete, as assistant football, baseball and basketball coach at Penn State, completes the staff of coaches who will aid Hugo Bezdek in the development of athletic teams at the Nittany institution for 1923. All are members of the faculty in the department of physical education.

The football staff will consist of Bezdek, Killinger, Haines and Hermann, the latter taking charge of the Freshman gridirers as in the past. Nate Cartmell, former Penn star, will coach the track and cross country squads in addition to serving as trainer for the grid team. Bezdek and Killinger will be in charge of varsity basketball with Haines in charge of the Freshman cagers. Dave Detar, another Penn State graduate, is wrestling coach, while Leo Houck, of Lancaster, is in charge of the Nittany boxers. Bob Jardine will take charge of the lacrosse squad again this spring, and Bob Rutherford and Art Walker will continue to take charge of golf instructions.

In selecting Haines and Killinger as assistant football coaches, Bezdek brings to his aid two of the most brilliant products of his own system of coaching. Haines was a star half-back in 1919 and 1920 while Killinger played quarterback in 1920 and 1921. In the latter year he was unanimous choice for the mythical all-American eleven. While undergraduates, Killie and Hinkie were classed as the "Penn State twins" for they played together on the football, baseball and basketball teams and were among the few three sport stars in Penn State history. Each had a season of coaching before returning to his Alma Mater, Haines at Gettysburg and Killinger at Dickinson. The former was assistant to Hugo Bezdek this past season in football.

"JAIL IN FINE SHAPE" SAYS COUNTY COMMISSIONER WEIMER AFTER VISIT

Appreciating the fact that large bodies move slowly our Clearfield county jail press agent visited the County Commissioners' office this morning and to his surprise found that after fully recovering from their visit to the county jail Thursday and sleeping on it—not the jail—the County Commissioners felt disposed to talk about "their trip to the jail and what they saw."

That is, without being asked this time, President T. R. Weimer volunteered the information that they "found the jail in really fine shape." Mr. Weimer said it was, without a doubt, in good condition, and invited us to go down and see for ourselves

VISIT OF KLANSMEN CAUSES FARMER TO COMMIT SUICIDE

Hazleton, Pa., Jan. 13.—Fear of the Ku Klux Klan drove Harman Hacken, prominent farmer to commit suicide, it was said today, as further facts in the strange case came to light.

Deputy Coroner Frank Wahamly, who has been investigating the charge that the man was murdered, announced today that this has been disproved and that the man deliberately shot himself in the seclusion of his barn January 2nd.

Harker had received a visit from a body of Klansmen, it is said.

NEW MEXICO'S LONE CONGRESSMAN DIES AT WASHINGTON

Washington, D. C., Jan. 13.—Representative Menster Montoyo, of his residence here following a stroke of apoplexy.

The stroke came upon him while he was shaving. Montoyo as congressman was the only member of the house from New Mexico. His home was at Albuquerque, where for many years he has been editor of a newspaper published in the Spanish language. He was sixty-one years old and leaves a widow and five children.

He has served two years in congress.

WILL BE BURIED

AT ASHEVILLE
The funeral of Mrs. Swenson will be held at Leavy's Undertaking rooms Sunday at 11 o'clock. Rev. Givens and Rev. Mason officiating. The remains will be taken to Asheville, N. C., for interment, leaving here on the 1:50 P. R. R. train tomorrow afternoon.

In this connection we also talked to a local attorney who was down to the jail on Thursday to see a client and he said that while talking to the prisoner in his cell he saw what he thought was a string of beads around the fellow's neck and said, "Hello, there, Bill when did you take to wearing a necklace? When the prisoner found what the attorney was driving at he replied disgustedly: "Necklace, he—; them's bed bug bites. I tied a handkerchief tight around my neck to keep the dern things from getting down my back and the pesky little devils chawed a ring the whole way 'round above the handkerchief."

Two Boys, Aged 10 and 13, Abandoned By Father, Found By Truant Officer Living On Nothing But Dry Bread

Boys Located Wed; Had Been Alone In Vacant House With No Heat Since Last Friday.

MOTHER IS DEAD

We are not a believer in the Klux as a general proposition, but there are times when we feel as though we could assume membership for a stated time and fixed purpose. One of those times came to hand yesterday when we received the following communication at this office:

"While H. F. Reese, attendance officer, was attending to his official duties in the East End Thursday he came across two small boys aged 10 and 13 years who had been abandoned by their father, their mother dying some time ago. Mr. Reese found them in a house with no heat—and as they told him have been living on nothing but bread since last Friday. Mr. Reese took charge of the children and gave them dinner at his home and then by instruction secured an order of relief for them until further investigation could be made."

Upon receipt of the above we investigated the matter and found that the order of relief had been taken out. The boys were Clair and Albert Anglesano. Their father Nick Anglesano lives in East End and works every day. Following the death of the mother of the children the father attempted to have them placed in the Children's Home as public charges. Because of the fact that the father was able to work and support them admission was refused them unless their board and keep was paid. This the father refused to do, and he has been backing and filling over the proposition ever since.

The father sometime ago took up his abode away from the two boys who were left in a house with another family. The other day this family moved out and the poor little unfortunates were left alone, the county official who investigated the matter reporting that the unnatural father had grudgingly supplied them with a single loaf of bread per day and made no other provision for taking care of the little ones.

Nobody else in their neighborhood appeared to take an interest in the plight of the innocent little victims of their own father's niggardiness, and they were left to suffer in their neglected condition until Truant Officer Reese happened to run across them on his rounds and took the necessary steps that will result in the little lads getting the care they are entitled to and should receive.

Meanwhile the county officials will take the necessary steps to make Anglesano support his offspring.

TO THOSE INTERESTED IN THE COUNTY HOME FOLK

So often people wonder what they can do to help the folk in the County Home. After being captain there for several months and trying to find ways to be a help to them, I have seen where a great joy could be given many who cannot attend chapel services held every week.

A portable organ costing about \$50 would make possible song services being held in the hospitals and bringing cheer there. So I am thinking that all who would like to help buy such an organ for the Home, if they send me their contributions, I will be glad to see to the securing of such an organ and using it in the Home where I now see it can bring pleasures.

The people do appreciate the little things done for them and as I think of other ways of doing things it is a pleasure to do those things. An organ will help much if we can carry it about to those who cannot attend chapel. There is an organ in the chapel and it is kept busy during services. The folk can sing too. We have interesting services there.

So if any care to help in this good work, I will be glad to acknowledge, personally, the contribution and will publish the list, finally, in the Progress, of all from whom I receive contributions. This is a County matter and as Clearfield county employs

BRIDGE WRECK NOT AS BAD AS AT FIRST REPORTED TO FLINK

Steel Work Just Dropped On Ice and Is Salvaged; Work Will Go Right Ahead In Spring.

LOSS ABOUT \$1,000

The Progress is informed by Contractor G. A. Flink that his estimate of loss incident to the taking out of the "false work" at the Rolling Stone bridge by the ice and high water on Wednesday morning, as published in Thursday's paper, was entirely too high and was based altogether on alarmist telephone reports of the wreck.

An examination of the bridge made by Mr. Flink and the County Commissioners yesterday disclosed the fact that the damage was not nearly so extensive as first reported. It was found that when the false work was washed away by the flood and ice the bridge steel dropped down onto the ice where it remained and lodged just below the bridge pier and proved to be easy of salvage.

A crew of men has since been busily engaged in taking the steel off the ice and storing it in a safe place, while the actual loss to the contractor will not amount to more than \$1,000 instead of the \$7,000 he had first figured it.

The accident will delay completion of the bridge as the false work cannot be replaced until after the spring freshets.

COURT ORDERS JAIL PHYSICIAN TO MAKE AN EXAMINATION OF CHARLES G. ASKEY

Judge Singleton Bell handed down an order yesterday directing District Attorney Arnold and Jail Physician Dr. A. D. Cowdick to make a physical examination of Charles G. "Red" Askey, an inmate of the jail, whose condition is reported to be such that further confinement in the jail will endanger his life.

The action was taken upon the sworn statement of Dr. Austin D. Lynn, of Philipsburg, Askey's family physician, who came to Clearfield yesterday and after examining him at the jail declared it to be his belief that Askey was suffering from stomach ulcer and needed medical care and attention that could not be given him in the jail.

"Red" Askey was sentenced by Judge Bell in February last to pay a fine of \$5,000 and undergo imprisonment in the county jail for a period of three years, the maximum penalty under the Woner Act. Askey entered a plea of guilty to the charge of selling a quart of liquor, but was punished so severely because of the belief that he was the head and front of a gang of illicit rum-runners that he had been operating quite extensively throughout this section.

Reports have come from the jail from time to time that Askey's health was breaking under the confinement and if such is the case he should and no doubt will be allowed an opportunity to get the medical treatment necessary to restore him to health.

STEPHEN COLLINS FOSTER REMEMBERED

St. Francis High School Literary Society held a memorial session yesterday in honor of Stephen Collins Foster, America's greatest song writer. An interesting program of music and essays was carried out together with the reading of a history of the life of the man who wrote "Old Black Joe," "Old Folks at Home" and many other old-time favorite songs.

MRS. E. E. LINDEMUTH PASSES AWAY

Word was received here this morning by local friends to the effect that Mrs. E. E. Lindemuth, a former well known resident of Clearfield, had passed away at her home in Bradford last night.

Her remains will be brought to Clearfield Monday for interment.

The body will arrive in Clearfield on the 4:35 P. R. & P. train Monday afternoon and will be taken from the train to St. Andrew's Episcopal church, where Rev. Hatch will conduct the funeral services. Interment will be made in Hillside cemetery.

WEEKLY REPORT OF HEALTH OFFICER IS VERY ENCOURAGING

Secretary Gaulin, the Argus-eyed guardian of the public health in Clearfield, says that during the past week but six cases of contagious diseases were reported to the Board of Health, four being diphtheria and two scarlet fever. During the same period the quarantine was lifted in thirteen cases, seven of which were diphtheria and three scarlet fever.

There is a total of seventeen cases of communicable diseases under quarantine in the borough at this time. The year located as follows:

- 1st Ward—Diphtheria, 1; Scarlet Fever, 1.
- 2nd Ward—Diphtheria, 3; Scarlet Fever, 2.
- 3rd Ward—Diphtheria, 2; Scarlet Fever, 2.
- 4th Ward—Diphtheria, 3; Scarlet fever, 3.

CLEARFIELD BREAKS INTO "WIN" CLASS BY 29-25 VICTORY

Last evening Reynoldsville High School's basketball team came here with the determination to break into the "win" column, but were turned back by the C. H. S. tossers to the tune of 29-25.

Although C. H. S. held the lead at all times, the game was not won until the final whistle. The game proved slow at different times in the first three quarters, but the fourth was hotly contested from start to finish. During this period Reynolds began to look blue for Clearfield when Redcliffe, the Reynoldsville center, displayed his ability to trip them in anywhere from the foul line to the center of the floor. The out-of-town team fought hard but were unable to overcome the lead C. H. S. had captured earlier in the game.

Hody Johnson proved the shining light for his team when he scored 8 baskets and shot 14 out of 19 fouls. Captain Bill Brown, who played a fine floor game, scored 2 field goals. The other members of the team contributed creditably, both on the offense and defense.

The score:

Clearfield High School			
	Field Goal	Gls.	Gls. Pts.

DuBois Loses

Punxsutawney, Jan. 12.—Punxsutawney, the doer here tonight when the High School team defeated DuBois, generally conceded prior to this evening's entertainment, to be the strongest of the league. The final score was 34 to 31.

DuBois came on the floor favorites but the local team led them throughout the first half and the half ended 16 to 13 in their favor. DuBois came back for a time after the opening of the second half and led in the scoring until seven minutes before the end of the game, when Punxsutawney took the lead and kept it until the final whistle. A monster crowd witnessed the game.

DeArment fell far below his usual form in shooting foul goals for DuBois.

Brookville Heads League

Brookville, Jan. 12.—Brookville tonight defeated New Bethlehem by the score of 31 to 24. Brookville without the services of Logan, but

Tom Sims SAYS---

The greatest place on earth is usually some other place. Bootleggers have an easier time in winter because in summer it is too hot to wear overcoats. The nice thing about being a man is you don't have to stay home after you wash your head. No matter which way you drive, if you don't drive the right way it may be the way to jail. They think so much about food over in China half the towns are named after some kind of chow. Hardest thing about 1923 so far is remembering your new auto tag number. The Ruhr valley seems to be a narrow strip of land between two mountains of trouble. Many a rich young fellow makes a poor husband.

Only way to end divorce is marry your second wife first. One man who can make any business pay is the tax collector. It is easy to catch a man with booze, if you have the booze. A bad way to keep a husband is to tell. When a man writes that he is putting up at a big hotel you can bet that he is putting down. Business might get better real quick if it was again the law.

Post's Cheer
One more royal trait properly belongs to the poet. I mean cheerfulness, without which no man can be a great poet, for beauty is his aim. The true hero has ever been noted for their firm and cheerful temper. Homer lies in sunshine. Chaucer is glad and erect, not less sovereign and cheerful is the tone of Shakespeare. Emerson.

MARRIED AT ELEVENTH STREET PARSONAGE

N. E. Frederick, of Pittsburgh, and Mrs. Ella Weaver, of Clearfield, were quietly married at the Eleventh Street Parsonage by the Rev. Chas. Gibson on Thursday, Jan. 11th 1923. Mr. and Mrs. Jerry Eaton, Jr., sister and brother-in-law of the bride were the attendants.

Mr. and Mrs. Frederick will reside in Clearfield.

Mr. and Mrs. Frederick are the eldest daughter of Mr. and Mrs. A. J. Frederick of Pittsburgh, and is employed as baggage master at the New York Central station in this place.

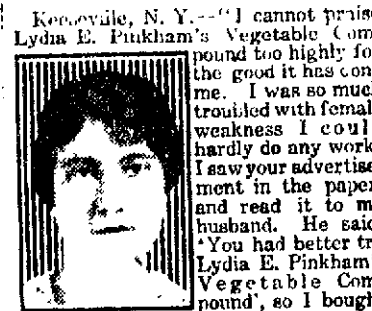

Physical Make-Up Important.
The physical make-up of the individual plays an important part in the development of the personality, and in many instances determines the success or failure of a normal biological life. Dr. Irving J. Sanders.

Healing Hand of Time
Three bathers entered the water which is said to be the best. Several.

Feeling Well in January
Only 2 percent of the population of Pennsylvania is now feeling well.

COULD HARDLY DO ANY WORK

Since Taking Lydia E. Pinkham's Vegetable Compound This Woman Feels So Well

Keweenaw, N. Y. "I cannot praise Lydia E. Pinkham's Vegetable Compound too highly for the good it has done for me. I was so much troubled with female weakness I could hardly do any work. I saw your advertisement in the paper, and read it to my husband. He said, 'You had better try Lydia E. Pinkham's Vegetable Compound,' so I bought six bottles, and by taking it I am not troubled as I was. I am gaining strength and getting fleshy. My female troubles have vanished and I have never felt so well. The Liver Pills are the best I ever took. If you think my letter will encourage other sufferers you have my permission to use it as an advertisement."—Mrs. SARAH BLAISE, Box 177, Keweenaw, N. Y.

Doing the housework for the average American family is some task, and many women love their health in so doing. If you, as a housewife, are troubled with backache, irregularities, are easily tired out and irritable, or have other disagreeable ailments caused by some weakness, give Lydia E. Pinkham's Vegetable Compound a trial. Let it help you.

If you enjoy reading The Progress today send \$4 and get it every day in the year. By the month it is fifty cents.

NEW LAMP BURNS 94 PER CENT AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government in 15 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke, or noise, and burning 94 per cent of the air, it costs 6 per cent less than the common kerosene lamp.

The inventor, S. K. Johnson, 642 N. Broad St., Philadelphia, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will hold him out for it. Write him today for full particulars. Also ask him to explain how you can get the agency and without experience or money make \$250 to \$500 per month.

Oh-Boy! Here's a Battery that Fits the Pocketbook

We used to know a chap who wore two-dollar shoes, fifteen-dollar suits, a dollar watch and threw his socks away instead of sending them to the mending basket. Said he'd a heap rather pay less and buy cheaper.

If he was around here now he'd grab a CW Battery (Wood Separator) and have it on his car quicker 'n scall! We've seen lots of batteries—but never one within gunshot of the CW Battery (Wood Separator), for quality at anything like the price!

Price: for 6-volt, 11-plate, **GREY STORAGE BATTERY CO.**
Rear 101 Locust St. Clearfield, Pa.

Representing **Willard Batteries** (THREADED RUBBER INSULATION) and **Gy Batteries** (WOOD SEPARATORS)

Brattice Cloth

We handle a high grade English product, firmer and finer in texture than any other we have seen. The price is no more than that of ordinary material. Drop in and take a look at it when you are going by.

DO NOT FORGET YOUR MOTHER'S BIRTHDAY

She enjoys a birthday just as much as she ever did. It is the one day in the year when she would like to have the children remember her.

We can show you a line of appropriate gifts for anybody, but especially mother.

W. W. O'BRIEN

AFTER THE SHAVE

A keen edged razor and the right kind of soap provides a combination that makes the morning shave pleasurable, and this followed by a dusting of talcum or application of OUR AFTER SHAVING LOTION, the skin is kept soft and clean and in fine condition. A good toilet article for ladies too.

C. R. BLOOM
—Pharmacist—
Clearfield, Pa.

CLEAN-UP SALE

SWEATERS AND KNIT GOODS

A complete line of Men's, Women's and Children's Sweaters of approved makes. All sizes and a fine variety of colors.

Tobacco caps for the boys and girls. Skating Sets are just the thing for these dreary mornings. Muffler Sets.

10 0/0 DISCOUNT ON ALL CASH PURCHASES IN ALL DEPARTMENTS

ENAMELWARE

Here the Housewife will find an array of the ten utensils in enamelware that will make her work a lot easier and a lot more pleasant.

The former will find water pails and heavy enamel dishes and other pieces that will be a long time.

JAN. 10 TO JAN. 25

Blankets and Comforts

Now is the time to buy Blankets and the ten per cent off our regular prices makes them an attractive buy. The same holds true of Comforts. Spend the rest of the winter in warmth and comfort. It makes for health and efficiency.

SHOES

We cannot attempt to enumerate the range of styles and quantity of our stock of serviceable and good looking Shoes. There are Shoes here in such a variety of taste that every need, from that of the plowman to the most elite dresser, can be filled. All sizes so we can be sure to fit you.

UNDERWEAR

Underwear is a seasonable article. Most people have some holdover suits from last year that is beginning to wear out and must be replaced. Buy now at ten per cent off and not only have the use of them this cold weather but get a good start on the next winter.

DRY GOODS

This will be the most popular department in the store. Our stock of Ginghams, Percales, Muslins, in fact everything in shelf dry goods is right up to top-notch. You are invited to look over every piece we have. Remember that ten per cent off our prices makes real bargains.

HOSIERY

Stockings cause the average mother more worry than any other article of apparel. Those stockings you bought at the beginning of the school year are taking too much of your time in mending. Stock up now, not only on the children's needs but on hosiery for the whole family.

GLOVES

What more necessary thing is there in this climate than gloves. Man cannot work without warm fingers, neither can mother go out this winter weather without them. Johnny and Mary must have them for school. Our stock is complete. Call and see it.

NOTIONS

Under this heading comes everything not enumerated in the other panels of this advertisement. Ten per cent comes off of every item in the store when cash is paid when the purchase is made. Now is the time to buy those little things that you have needed so long.

I, Carrier 12 cents per Week Payable to Carrier.

Entered at Post Office at Clearfield, Pa., as second class mail matter.

The other day in Chicago two men were elected, each as president of the concern with which he was connected. This was not remarkable except that the concerns in question are the biggest of their kind in the world and each of the men had started with his firm as a boy in a menial job without money or backing. The rise of each was due to his own courage, initiative and ability.

Each of these men, from the day he began work, "ate, drank and slept" on his job until he made good and long after. He stayed in the same business, but not in a rut. Either of them could say honestly, with Kipling's old Anthony Gloster: "I didn't begin with askings, I took my job and I stuck; And I took the chances they wouldn't, an' now they're calling it luck."

There are many more chances in America today than there were when those two boys began their climb up the ladder—chances not only for boys, but for girls and for grown men and women, many of whom in an earlier day might have searched for opportunities in vain. The difficulty is that so many are blinded by the "luck" fallacy, or want to begin with "askings" or where they have no fitness to begin. Success is made of number, sterner stuff.

Present indications are that there will be no coal strike on April 1st. Both miners and operators appear to be considering the problems of wage scale and working conditions in a spirit of fairness and conciliation, and when this is done there is every reason to hope for an amicable adjustment of differences. It is only when one side or the other becomes arrogant and wants to teach the other side a "lesson" by an actual show-down of power, that industrial chaos and hard times for the whole country is threatened. In a field of activity where co-operation and mutual understanding is so necessary, both sides should be willing to consider differences from the other fellow's viewpoint and try to see things in the light of fairness and justice to both sides. This appears to be the attitude at the present time.

Isn't it a pity that so many grown-up folks have such short memories? If one is to judge by their attitude toward the children who are unfortunate enough to be under their control they have absolutely forgotten their own childhood and the more or less serious grievances which awoke hot resentment in their young hearts more than once. They must have forgotten, otherwise they would hardly be guilty of the wanton perpetration of precisely the sort of injustice which awoke their wrath in their own childhood. If such persons would stop to think they might realize that children also have rights which their elders should respect.

PERSONAL SERVICE

The old time idea of a bank as a chilly place for all but the wealthy, is a thing of the past.

The modern bank is a place where the business of the modest depositor is welcomed; where the officers are easily accessible at all times.

The County National is a modern bank. The officers are always glad to meet the people and to give personal attention to their business.

LESSON FOR JANUARY 14

JESUS TEACHING HUMILITY

LESSON TEXT—Luke 14:1-11.

GOLDEN TEXT—God resisteth the proud and giveth grace to the humble.

1 Peter 5:6.

REVELANCE MATERIAL—John 13:1-17, Phil 2:3-11.

PRIMARY TOPIC—The Story of a Great Dinner.

JUNIOR TOPIC—Teaching Courtesy, INTERMEDIATE AND SENIOR TOPIC—Others.

YOUNG PEOPLE AND ADULT TOPIC—The Spirit of Christian Service.

1. Jesus Dines With a Pharisee (v. 1).

Jesus entered freely into the common social customs of the day. We see him at a wedding, at a dinner party, in the home of sickness, and at a funeral. He was truly a man among men.

He was unlike John the Baptist, in this respect. The Christian's influence is best when mingling with his fellow-men in all right relations and positions in life, even though selfish and evil-minded persons are found among them. This does not mean that he should be a partaker of their evil deeds. Jesus in thus moving in all circles of human society showed the divine sympathy. While Jesus was in society he was not of it. So should the Christian be. Jesus was in a company outwardly courteous but inwardly hostile. Doubtless the motive of the invitation was to find an occasion against him. This is implied in the statement "they watched him."

2. Jesus Healing a Dying Paralytic (v. 2-6).

1. Why This Man Was Present (v. 2).

There is no way of absolutely determining it, but likely it was part of a plot of the Pharisees to "trap" Jesus by getting him to violate the Sabbath rules.

2. Jesus' Question (v. 3). Jesus' question was an answer to the thoughts of the lawyers and Pharisees who were watching him for they had not spoken. Before healing this man he submitted the case to their judgment. They were free on the Sabbath day to hold a feast where their guests might be healed, but they were not to be healed on the Sabbath. They were silent because their consciences made them ashamed of their heartlessness.

3. Healing the Man (v. 4). While they were in a state of embarrassment Jesus healed the man and let him go.

4. Jesus Rebuked Them (v. 5-6). He laid bare their hypocrisy by showing them that their willingness to show mercy to a leper on the Sabbath should induce them to regard as not sinful to relieve a human being of his or her suffering on the Sabbath. They were again silent for they perceived their inconsistency and dishonesty.

III. Jesus Rebuked Selfish Ambition (v. 7-11).

1. The Pharisees' Invitation (v. 7).

That the Pharisees were inviting Jesus to dine with them was a trap. This is evident from the fact that they were not invited to dine with them. This is evident from the fact that they were not invited to dine with them.

2. Instruction "Given" (v. 8-11).

When bidden to a feast, take the lowest place lest you suffer the humiliation of being asked to take a lower seat. This is more than a lesson on courtesy or table manners; it is a severe rebuke of that selfishness which fills the human heart, causing it to seek to be ministered to instead of ministering to others. Unselfishness will express itself in humbly taking the lowest place, esteeming others better than ourselves. The fundamental principle of the philosophy concerning the moral world Jesus declares to be: "Whoever exalted himself shall be abased, and he that humbled himself shall be exalted."

IV. The True Motive in Jesus' Charity (v. 12-14).

Jesus takes advantage of this social occasion to teach of great principle. The Jews, like many of the rich today, made social dinner parties for display. They invited only those whose wealth would enable them to recompense them by inviting them in return. Jesus took note of the selfishness thus displayed and set forth to them the right principle, namely, that they should extend their hospitality to the poor and afflicted. All charitable deeds should be done with unselfish motives. Jesus assured them that compensation would be made at the resurrection of the just. This does not mean that friends and neighbors of certain rank should never exchange pleasant hospitalities. Wealth should be used to confer blessings upon the poor and needy instead of ministering to the pride and rapacity of the possessor.

How Churches Grow.

Once there was a Chinese laundry. Then it became a store. Then it became a church. For ten years it served in this capacity, and from it has come a group of 47 communicants and 100 children who, this year, have acquired their own new building, St. Philip's chapel, New Orleans.

The Earnest of the Spirit.

Now he that hath wrought us for the selfsame thing is God, who also hath given unto us the earnest of the Spirit.

—II Corinthians 5:5.

Mentoring No Names.

We are told that the truth will out—and it seems to be everlastingly out of some people's Exchange.

Will Not Buy

Wednesday night. Mid Week service of forty-five minutes, prayer and praise.

At a very important meeting of the deacons, elders and trustees it was decided to recommend to the congregational at the coming congregational meeting the employment by the church of a woman secretary and assistant to the pastor. This will be a great aid to the work, and help more effectively to minister to the church with its 750 members. Many other plans of a progressive nature were adopted by the officers, and will be taken up by the church shortly.

Beginning next Sabbath the Men's Bible Class will begin the study of a course in Christian Stewardship, dealing successively on Sabbath morning with such topics as "property," "Money," "Earnings," "Savings," "Spending," "Giving," etc. The text book will be supplied. The regular lessons will be supplanted for these twelve weeks by the new course. Such a course as this should appeal to men. Each week two men will be assigned to open the discussion. This list will be printed next week. Come and join the discussions. All are welcome to every service of the church.

ST. JOHN'S LUTHERAN CHURCH

OBITUARY

DIED OF FRACTURED SKULL

Philipsburg, Jan. 12.—A fracture of the skull, received when she fell on the ice at Pottersdale, Clearfield county, two weeks ago, caused the death of Mrs. Edna B. Maney at her home at 721 Alder street, Philipsburg, at 4:10 Thursday afternoon, Jan. 11th.

Mrs. Maney had gone to Pottersdale to nurse Mrs. Sarah Peavy, who had been ill. She was brought to her home here Jan. 3rd and though every effort was made both at Pottersdale and after her return to her home to bring about her recovery, she grew worse from day to day, passing away at the time above noted.

Mrs. Maney was the widow of Frank Maney and was born in Clearfield county on Aug. 4, 1866, and her earlier life was passed in Pottersdale. Her parents were Mr. and Mrs. James Lucas, both deceased. In 1887 she was married to Frank Maney.

These children survive: Mary, wife of Albert Watson, of Philipsburg; James, of Pottersdale; Nora, wife of Clarence Nicholson, of Philipsburg; George, of Morgan Run; Mabel, wife of George Gottschall, of Ninth street, and John, Frank, Herman, Homer and Harold at home. There are 15 grandchildren and one great-grandchild. Three brothers also survive: namely, Thomas and William, of Howard and George, of Pottersdale.

The deceased, who was a Methodist and a resident here during the past 12 years, was a worthy woman and a kind and affectionate mother devoted to her family and home life. Her death is very sincerely regretted and the family members are receiving the sympathy of their friends in their sorrow over their loss.

JAMES BEAUSEIGNEUR DIES

James Beauseigneur a respected resident of Clearfield for many years, passed away at the Clearfield Hospital at 4:30 o'clock this morning, the result of valvular heart trouble, after an illness of several months duration.

The deceased was a native of Girard township, but moved to Clearfield with his family in 1909 and had since resided here. He was employed at the Glass factory when it was in operation and of late had been working at the tannery. He was an industrious, good citizen and enjoyed the respect and esteem of a wide circle of friends.

He is survived by his widow, one son, two daughters, as follows: Clarence of Lawrence township; Mrs. J. Fred May and Miss Amanda, both of Clearfield. Two brothers, Henry and Joseph Beauseigneur, both of Girard township also survive him.

The funeral will be held from St. Francis church at 9 o'clock Monday morning. Interment in Calvary cemetery.

Clearfield Breaks

(Continued From Page One.)

It is expected that he will be in uniform for the DuBois game next Friday. Swindell, Hawthorne, Batsina, Forsythe and Black played for the local, while the New Bethlehem team was composed of the Carlos brothers, Murray, Travis and Geist. Standing of the Teams.

Ice Making.

The process of ice making was introduced at St. Andrew in Saxony, by Barbara Uttman, in 1561. It flourished in Holland and Belgium for some time before its introduction into England, which tradition ascribes to some English teachers who resided in the village of Cranfield, Bedford.

Long-lived Trees.

The heart of the common oak. It is said, begins to rot at the age of 200 years so each when an oak is undisturbed it must live much beyond 500 years. A larch may live 275 years, a silver fir 125 years and a pine over 500 years. The yew has a remarkable power of resisting time's ravages and may survive for 1000 years or more.

Origin of Ice Cream.

The origin of the French ice cream and some of the early publications say it was first invented by an American in 1690. It was known to the Romans and to the Chinese and Persians in 1200 A. D. When Queen Catherine de Medici left Florence to marry the King of France she took Italian ice cream recipes with her. While Charles I had a cook who possessed the secret recipe.

Cure Joint Mica.

A process for jointing mica has been patented by a California man. It consists in burning the mica into contact, applying a mica solution, and subjecting the whole to heat and to slight pressure. With mica used as a flux mica may thus be jointed to metal.

Less Meat if Kidneys Bother

Take a glass of Salts if your Back hurts or Bladder troubles you.

No man or woman who eats too much meat can make a mistake by flushing the kidneys occasionally, says a well-known authority. Big meat eating may develop uric acid, which excites the kidneys; they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood; then we get sick. Rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys, or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of stinging, stop eating meat and get at least four ounces of Jaid Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast, and in a few days your kidneys may act fine. This famous salt is made from the best of grapes and lemon juice, combined with lithia, and has been used in generations to flush and stimulate the kidneys; also to neutralize the acids in urine so it no longer causes irritation, thus often ending bladder weakness.

Jaid Salts is invulnerable and can not injure; makes a delightful clearance of lithia, water drink, which everyone should take now and then to help keep the kidneys clean and active and the blood pure, thereby often avoiding serious kidney complications.

THE FUNNIEST MEN YOU EVER SAW ARE IN MISS BOB WHITE

That tasty musical revue of pastoral novelty and charm is to be seen in "Bob White" at John B. Rogers Producing Co., extravaganza, under the auspices of Clearfield High School Auditorium on the dates of Jan. 17 and 18, nites only.

The roles to bring comment from everyone are Horace McGee as Tre Billion; Harold Johnson, Van Million, the two millionaire tramps; Bob White played by Miss Edwena Brown; Yankemmin, the village copper, Carl Mann; Lord Bashful, Ray Shurey, and his father, the Duke of High Titles, John Bratton.

The show has several pretty love plots that work out to the satisfaction of everyone. Act I opens up on the farm of Friend Rodd, a sturdy old Quaker, where Tre Billion and Van Million, two millionaires forced to be tramps for two months, thru a fool election bet, masquerade as real "knights of the road." Act II, is the same farm, but the kitchen of Friend Rodd, where Tre Billion, Van Million and Bob White furnish wonderful comedy with pretty melodies. Act III, is the home of Tre Billion and the completion of the bet, where everything is carefully and pleasantly revealed and ends with the "Mystery of Love" waltz a tune you'll never forget.

Director Miss Blakemore said that everything was coming along in first class shape and expected to stage one of the best shows of her career.

A connection with a real future. State age and full details. **JOHN SEXTON & CO.**, Chicago, Ill. 1/13-14 pd

SHERIFF'S SALE OF VALUABLE REAL ESTATE

By virtue of a writ of Levari Facias issued out of the Court of Common Pleas of Clearfield County, and to me directed, there will be exposed to public sale in the Arbitration Room in the Court House in the Borough of Clearfield, on

FRIDAY THE SECOND DAY OF FEBRUARY, 1923
at 10:30 o'clock a. m. the following described real estate to wit:
To be sold on a writ of Levari Facias on Friday, February 2nd, 1923, at 10:30 o'clock a. m.
All that certain tract of land situated and being in the County of Clearfield and State of Penna. and particularly described as follows: Beginning at intersection of Twp. road with twenty-foot alley, in the Village of Munson; thence by said alley north twelve degrees East 212 feet to a post; thence south eighty-four degrees East 20 feet to a post; thence by lands of E. J. Gougeon and others North 15 degrees thirty minutes East 147 feet to post; thence by lands of Mrs. Diodnok South sixty-eight degrees thirty minute East sixty-two feet to a post; thence by lands of Anna Barnish and T. C. F. H. bun lot South fifteen degrees West 349 feet to corner store building, thence by aforesaid Twp. road North seventy-nine degrees West 99 feet to a point of beginning; containing 106 porches. Having thereon erected two 2-story frame buildings, one occupied as a store and dwelling, and the other as a store; and as well a frame barn.

Being the same premises the title to which became vested in August Doll, mortgagor herein, by deed from Jennie Arstein et vir of even date herewith, and intended to be recorded—this being a purchase money mortgage.

Reference being had to records of Clearfield County will more fully and at large appear.

There is included in this mortgage soda fountain and all stone fixtures of any nature and character contained in the store building, as being part of the real estate, including as well gasoline tank.

Together with all and singular the buildings, improvements, wares, fixtures, water courses, rights, liberties, privileges, hereditaments and appurtenances whatsoever unto the hereunto granted premises belonging, or in anywise appertaining, and the reversions and remainders, rents, issues, and profits thereof.

Seized, taken in execution and to be sold as the property of August Doll.

TERMS OF SALE
The price or sum at which the property shall be struck off must be paid at the time of the sale, or such other arrangements as will be approved, otherwise the property will immediately be put up and sold again at the expense and risk of the person to whom it was struck off, and who, in case of deficiency at such resale, shall make good the same, and in no instance will the deed be presented for confirmation unless the money actually paid to the Sheriff.

THOS. J. LOWELL, Sheriff, Clearfield County
Sheriff's Office, Jan. 4, 1923.

Ford

THE UNIVERSAL CAR

INTERESTING FACTS

106,327 Ford Cars and Trucks Retailed in November

Approximately the same number scheduled for delivery this month

What Does This Mean?

This volume of deliveries to actual owners is entirely unprecedented for this time of the year—

It has taxed the manufacturing ability of the Ford plants working at full capacity—

It indicates a volume of business during the rapidly approaching months of "heavy demand" which will be far beyond the maximum production schedule which the Ford Motor Company has set—

And that means a Ford shortage even more acute than the one which existed last Spring and Summer.

Dealers' stocks all over the country are low—there are no reserves to draw upon to meet the demands for delivery—

There is no way in which dealer reserves can be built up, as deliveries have been made to customers as fast as Cars could be manufactured since last April.

The only way you can protect your desire to obtain prompt delivery of a Ford even at this time is to place your order immediately.

This emphasizes more strongly than anything we could possibly say the necessity of your making prompt arrangements with a Ford Dealer for the listing of your order, particularly if you are contemplating the purchase of a Ford Car or Truck for use this Spring or Summer.

We believe you are entitled to know these facts as they actually exist.

NEWS OF
OUR
NEIGHBORS

CURWENSVILLE

Mrs. George Bair was summoned to her home by the serious illness of her mother, Mrs. H. H. Osman at Port Matilda, Pa.

Mrs. Herbert Kramer has been ill at her South Side home for some time suffering from an attack of tonsillitis and quinsy.

Farmers coming into town yesterday from out along the pike reported the highways badly drifted with snow, some of the banks being so heavy and high that it was impossible to force a vehicle of any description through. A number of automobiles were dead on the road between the top of Anderson Creek hill and the Rheams watering trough. Most of the agriculturists who, from necessity, had to make the trip to town for the purchase of one thing or another, had to "pad the hoof" to get here and back home again.

Instead of the regular Sunday school lesson being taught in M. E. school on Sunday morning, the time will be occupied in the holding of a general memorial service in honor of the services rendered to school and church by the late departed James C. Bloom. One of the large rooms in the High School building will be utilized for the occasion, the church auditorium not being properly equipped as yet for gatherings of any kind whatever. Appropriate comments upon the Christian life and church work by the departed have been prepared and will be delivered by Pastor Collins and others who have been in close touch with Mr. Bloom and his work for a good many years.

Prof. Grant Norris and wife went up to New Millport yesterday and attended a birthday anniversary of Mr. Norris' mother, who has passed the three score and ten period in life by some years.

Ice must have frozen to the proper thickness in many of the streams herabouts within the past week, as the scribe noticed yesterday that several farmers were filling their ice houses, and are not going to chance more freezing weather than we have had. There is nothing like

"making hay while the sun shines, cutting ice and harvesting it before the flow passes out of the streams."

The every night meetings that were held in the Presbyterian church commencing with last Sunday, closed last evening. There was a good average attendance at each session, and a new zeal in church and general Christian work awakened.

Mrs. Harry Adelman, who has been ill for over a month, and spent some weeks in Clearfield hospital, under medical treatment, was able last evening for the first time to sit at table and partake of a light meal.

Clude Bloom has again assumed his duties as manager of the Workman's store on South Filbert street after a three week's knock out by an attack of quinsy.

The sale and transfer of the Patton brick block has been about completed, were it not so, the tenants would not have had their rentals raised. The new owners are A. Z. Wolf, Howard Thompson and C. Orrie Norris. The small brick structure on the west end of the block, occupied by the Curwensville National Bank, was not included in the deal, and another stipulation to the transfer was that no room or part thereof should be leased for the purpose of establishing another bank.

A friend of M. J. Kelly, who is in the hospital at Clearfield under the care of a physician, informed us yesterday that he was gradually improving and that his condition was much better than could really be expected under the prevailing circumstances.

A Testimonial Banquet in honor of the Curwensville football team of 1922 was given by the Alumni Association of the Curwensville High School on Thursday evening, January 11th, at the Park Hotel. About seventy-five partook of the bountiful menu consisting of rice soup, roast young milk fed chicken, filling creamed mashed potatoes, carded sweet potatoes, cream peas, cold stew, cranberry sauce, pickles, olives, celery, pumpkin pie, ice cream, cake and coffee. The tables were artistically decorated with the High School colors, black and yellow.

Between the serving of the different courses of the menu penny songs were rendered from the Ginger Jar collection, Mr. Fred P. Robinson and Prof. George E. Croyle leading. On account of sad death in the community the orchestra was unable to take its customary place, but Miss Mildred Tate, one of the Curwensville teachers, filled in at the piano.

At the conclusion of the menu Fred P. Robinson, President of the Alumni Association, proceeded with the secondary part of the program. The first was the election of officers which resulted as follows: President, Fred P. Robinson; Secretary, Grant Norris; Treasurer, Harry G. Gates. A resolution was unanimously adopted inviting James Black to accept the position as coach again next year. Mr. Gates, Treasurer, reported that all bills had been paid, leaving a balance in the treasury of one hundred dollars.

Toasts were delivered by Coach James Black and Principal Grant Norris. Mr. Black reviewed the activities of each individual player during the year and prophesied that Curwensville would have a much stronger football team next year than they had this year. Mr. Norris spoke particularly on athletics as being a part of scholastic training. Mr. Robinson took great pleasure in introducing Messrs. Woodwall and Robinson of Clearfield. The gentlemen in turn spoke in very complimentary terms of the Curwensville football team and gave us to understand that Clearfield and Curwensville have elevated high school athletics to their rightful place in this community. In the near future a football manager will be selected and a schedule arranged for next year's work. The student managers are to be elected also.

The following players, having played twelve quarters during the season, were presented with letters: Walter Olson, Charles Norris, Nathaniel Edwards, Harold Starr, Lee Smith, Robert Humphries, Ray LaPorte, Guerry Brunetti, Clifford Kephart, William Starr, Orville Hips, Hugh Kelley, Henry Hile, Raymond Manier, Chester Frankhauser, Leon Tosi and Victor Grandi. David McKelley, Student Manager, was also presented with a letter. The Seniors, on account of going away from school this year, were presented with solid gold watch charms in the shape of a football. They are as follows: Walter Olson, Charles Norris, Nathaniel Edwards, Harold Starr, Lee Smith, Robert Humphries and Victor Grandi. Captain Olson, in a very neat speech, received these footballs and promised that each member of the class would try to leave himself in the future to be as these footballs, real gold. Mr. Sol Robinson, Manager of the football team, sprang quite a surprise upon the banqueters by presenting to Coach Black a sweater which, as he said, "is all wool and a yard wide except the buttons." Mr. Robinson proved himself to be an efficient manager of the football team during the past season and it is regret-

ted that Clearfield is trying to claim him.

Mrs. Mary J. Norris, widow of Thomas S. Norris, living on the old homestead with one of her sons, R. W. Norris, celebrated her eighty-third birthday on Friday of this week. It is remembered that Thomas S. Norris was a prominent lumberman and farmer of this county, being one of a family of ten brothers and six sisters of the late John Norris of Pike township. His death occurred in April, 1889. The following children were present at Mrs. Norris' anniversary: Perry A. Norris and wife, Wade A. Norris and wife, Grant Norris and wife, Blake W. Norris and wife, Mrs. George M. DeMaas of Philadelphia and Mrs. Geo. J. Thurston of Clearfield. Mrs. Laura Fricks of Eureka, California, and Mrs. J. S. Sohl of Livingston, Montana, were the only children unable to be present. Many grand children and a few great grand children were present, together with Mr. and Mrs. Isaac Wolfe and Mrs. Alfred McCracken.

Mr. A. B. Kressly, from the Bureau of School Buildings, in the Department of Education at Harrisburg, is now in Curwensville making a survey of the educational needs of this town. He is covering the field of education in Curwensville in all its various phases and will re-

port his findings to the Department of Education at Harrisburg.

The Colonel T. A. Irvin Literary Society rendered a very excellent program in the High School Auditorium last evening. Special mention should be made of Miss Gertrude Erhard, a second grade pupil, who sang in a very pleasing manner; also the debate, the school paper, the dialogue, recitations and piano solos. William Kittleberger is president of this Society.

WOODLAND

Maek Rowles is ill of diphtheria at his home on Main street.

A new baby boy arrived early this week at the home of Mr. and Mrs. John Stiner.

Guy Snyder of Mineral Spring was again taken to the Clearfield hospital on Wednesday evening. His condition is serious, we are sorry to learn.

A sled load of young people came out from Clearfield and spent Thursday evening at the home of Mr. and Mrs. Ross Livingston.

How many of our people are interested in "Miss Bob White," the play to be given next week by the Clearfield High School? Woodland pupils having part in the play are

Thelma Reese, Elizabeth Barger and Bessie Baker.

Misses Naomi Wheeling and Rose Palmer, who have for several days this week been confined to their respective homes with the grippe, are improving at this writing.

Miss Catherine Pearce was operated upon for adenoids and tonsils at McGirk's sanatorium, Pampsburg, on Wednesday and is getting along nicely.

The Philathea class of the M. L. Sunday school held its regular monthly meeting Thursday evening at the home of Miss Pearl Woolridge. The ladies' Bible class was also delighted.

fully entertained the same evening at the home of Mrs. Harry Varner.

Drillers are at work on the E. B. Albert farm east of town, drilling for clay.

Members of the M. E. congregation on Monday evening dismantled the auditorium of the church preparatory to having it redecorated and a new lighting system installed. Sunday school will be held next Sunday morning in the social room of the church.

Mr. Munson of East Waterford is visiting at the home of Rev. and Mrs. C. B. M. Reidell.

Mrs. M. O. A. Sahn entertained a number of friends last evening at her home on South Third street. The evening was spent in playing cards after which dainty refreshments were served.

Mr. and Mrs. W. C. Watson are in Williamsport attending the funeral of Mrs. Watson's father, Mr. Edward Lewis.

W. J. Ammerman left Monday for Florida where he will spend the winter. He was met in Tyrone by Jess Waite who will also spend part of the winter there.

Signs of Spring

This is a style that is seen in the most advanced fashions that gives a hint of what April May and June will see us wearing. It is the three-piece suit—ditto and short jacquette. The fact that the jacquette is a prime model may be told from the loose cape-like sleeves and the wide reverses.

Mrs. Jack Fulford of Boardman is spending the week-end with her father and family.

Mr. and Mrs. Thos. Beahan announce the birth of a daughter, Jan. 10th, at their home on Locust street.

Mr. and Mrs. L. G. Runk of Phillipsburg spent yesterday in town.

Miss Esther Beahan returned last evening from a shopping trip to New York City.

Don't neglect that cough. Wenck's Glycerole or Tar and Wild Cherry will give relief without harmful dose or alcohol. 25c and 50c.

January CLEARANCE Sale

**Closes Saturday
January 13th**

A GOOD TIME TO BUY

The January Sales inaugurate a value event in every department of the store, values so decisive that they are an incentive to buy those things which you really need, and also the one or two extra costumes that you are so anxious to have because of the added attractiveness that they will lend to your appearance. Prices have been brought down to the very lowest level and special purchases have brought selections up to a point of unusual attractiveness.

Company**

WOULD YOU PUT A LAME HORSE IN THE STABLE AND FORGET IT?

Not likely. Well, a truck costs more than a horse. If you have one "on the shelf" call us up and let us put it in our hospital.
